SYNCHROHALO.GITHUB.IO

EDUCATION

UNIVERSITY OF CALIFORNIA, DAVIS

B.S. Computer Science

Graduated June 2015

WORK EXPERIENCE

USER INTERFACE DESIGN INTERN

UstartX Inc., Menlo Park, CA • July 2015 to September 2015

Created wireframes and mockups to establish the user flow of a business travel mobile app.

Styled app screens to match corresponding mockups using HTML5 and CSS3 on the Ionic framework.

Coordinated with app developers and client to get feedback and to maintain a focused workflow.

INFORMATION TECHNOLOGY STUDENT ASSISTANT

UC Davis Internship and Career Center, Davis, CA • October 2013 to May 2014

Provided support for UC Davis career listing website to help with issues regarding account information.

Updated webpage regularly and used PHP to create an online form that adds users to desired Listservs.

PROJECTS

USER INTERFACE/EXPERIENCE DESIGN & CODE *for* DESIGN THINKING MOBILE APP

January 2015 to May 2015 (PhoneGap, HTML, CSS, JavaScript)

Conceived the overall UI/UX for an Android app that guides users through the design thinking process.

Prepared graphics and mockups, from low-fidelity wireframes to polished screens.

Coded several of the app's main features including the timer, progress bar, and image animation scripts.

USER-GENERATED CONTENT WEBSITE

December 2013 to Present (HTML, CSS, JavaScript, jQuery, PHP, MySQL)

Built a website in which users can submit quotes to advocate and encourage self-love.

Utilized a database to store and query quotes then displayed them on the page with PHP.

SKILLS

SOFTWARE: Adobe Photoshop & Illustrator

PROGRAMMING LANGUAGES: C, C++, Java, Python, HTML, CSS, JavaScript, PHP

OTHER: Drawing & Illustration (digital and traditional media)

LEADERSHIP EXPERIENCE

MARKETING DIRECTOR *for* DAVIS COMPUTER SCIENCE CLUB (DCSC)

Davis, CA • June 2014 to May 2015

Designed banners and other marketing materials for use on the club Facebook page, website, and for print.

Planned fundraisers and promoted all club events via social media and in-person distribution of information.

Successfully organized an event, in a team of three, to promote gender equality and diversity in technology.

CO-TREASURER *for* PILIPINO AMERICANS IN SCIENCE AND ENGINEERING (PASE)

Davis, CA • May 2013 to June 2014

Arranged fundraisers and assisted with budgeting to ensure the financial stability of the club.

Cultivated relationships with Davis Pilipino-American organizations to reinforce a sense of community.
